Time To Fly

*"Don't let time pass you by,"
is what they always say.*

*"Cherish each moment,
Treasure each day."*

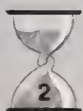

*We laughed and we sighed
For we'd heard it all before.
Never realizing how swiftly
Time would really soar.*

*Now we must cross that thresh-
old
The one we thought would never
come.*

*Looking back we remember
All that we have done.
The friends we've lost
And the friends we've made
The memories we share
That will never fade.*

*We realize the truth in what
they said
As the moments passed us by.
But wipe away the tears you
shed,
Now is our time to fly.*

Time Traveler

With heartfelt thanks and high respect, the class of 1999 would like to dedicate our yearbook to a man who has meant so much to us, Dr. Frank Taylor. We all know him as the history teacher in room 205, but he is much more than that. He is an avid traveler, aficionado of flying, critic of movies and an incredible Enfield, CT historian. He is also a devoted husband, father of two sons, loving grandfather to his grandson, Duncan, and the father-figure of our E.H.S. family. His students are constantly forced to form their own thoughts and ideas as they always leave his classroom with a new outlook on the world. Yet, it is the extra-curricular interactions with him that we will always remember. He is regularly seen snapping photographs at E.H.S. events, leading students into U.S. Congressmen's offices during his Washington Close-Up trip, and coaching his "As Schools Match Wits" team to victory. "Doc", you will always hold a special place in our hearts, and in our high school memories.

Good Luck and best wishes,

Sincerely,

The Class of 1999

*I remember the sound of the halls as we heard of your passing.
The screams of pain and anguish that shook us all
We were stunned into submission by the reality of all that we had lost
and a tide came over us and we wept tears of sadness
No one could ever understand why God had taken you.
But we'll see your shadow in the halls
and feel your presence in the classrooms
and you will live in our hearts and minds forever.

Girls' Volleyball

The 1998 girls' volleyball team had a successful season. They made it to the State Tournament with a record of 9-8. Although they lost 3-2 everyone put forth their best effort. Junior Kristen Zimmerman was on the CCC East all - league team, and Aubrey Iacolino was selected MVP for the season.

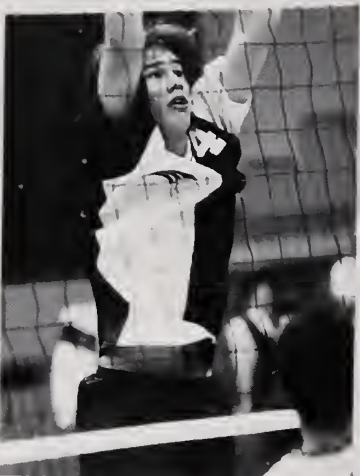

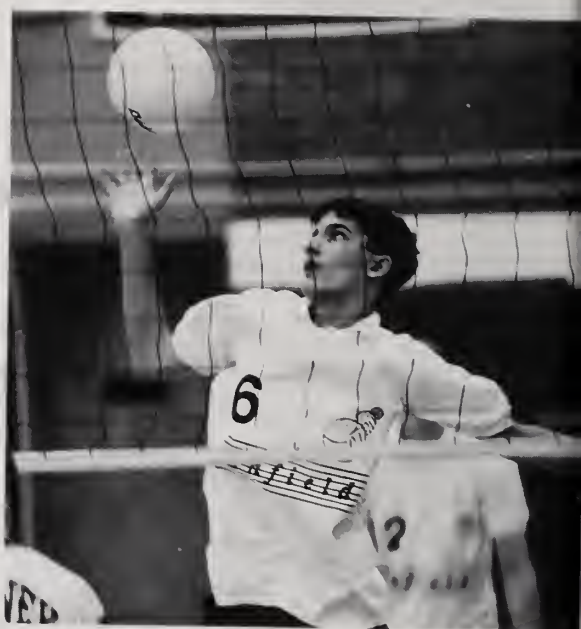

The best of luck to the new team, and many more happy years.

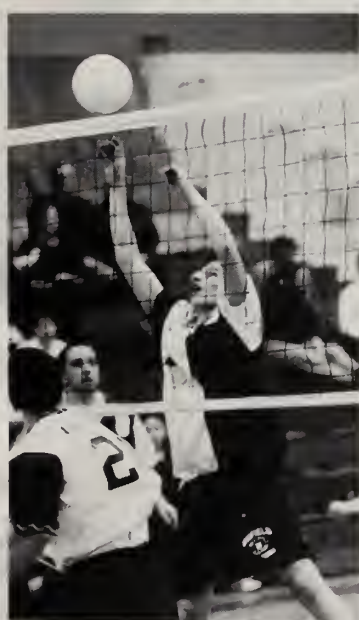

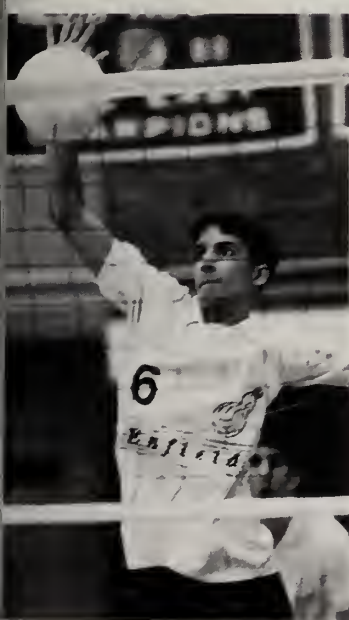

Boys' Volleyball

Senior captains Scott Beaulieu and Noi Chandeng and junior captain Nick Povak led the 1998 boys volleyball team to the Class LL States. Although they were defeated by Amity Regional in the first round, the team enjoyed a winning season. Returning players for next year are Nick Povak, Nate Viniconis, Jarrod Ploof, Mike Niziole, Ryan Mgrdichian, Andy Proulx, and John Wilson.

Field Hockey

The field hockey team had a fantastic season, exceeding all early expectations of the team. Entering the season with only five returning starters, the whole team "stepped it up a notch" in order to have a successful season.

During the regular season, the team compiled a record of 11-14. Two of these wins were against cross town rival Fermi. The team posted ten shut-outs this season and allowed only six goals. This outstanding record was good enough to bring the team into the Class M State Tournament. The team was able to make it to the quarter- finals before being defeated 2-0 by New Canaan.

The team recieved great leadership from seniors Brianne Allen, Shelly Gufert, Sue-Anne Mankus, Kathryn Olson, and Devon Sherwood. This, combined with the enthusiasm, hustle, sacrifice, and dedication shown by all members, proved to be a winning combination for the field hockey team.

Cheerleading

The Enfield High School cheerleaders have had a good year. They have showed their school spirit by attending games such as football and basketball to cheer on the raiders.

The 1998-1999 cheerleading team has really pulled together this year. Both J.V. and Varsity worked together, and performed together at football games and at the pep rally.

The cheerleaders for E.H.S. went to a competition and brought home a spirit award to Enfield. They will go on to compete in States.

RAIDER SPIRIT

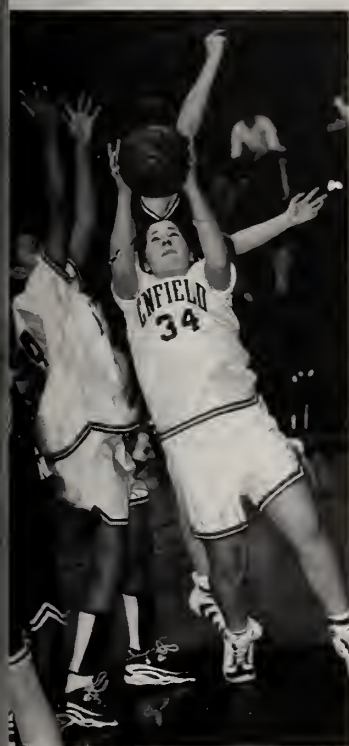

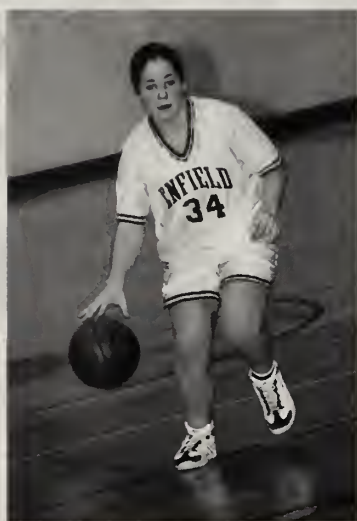

Girls' Basketball

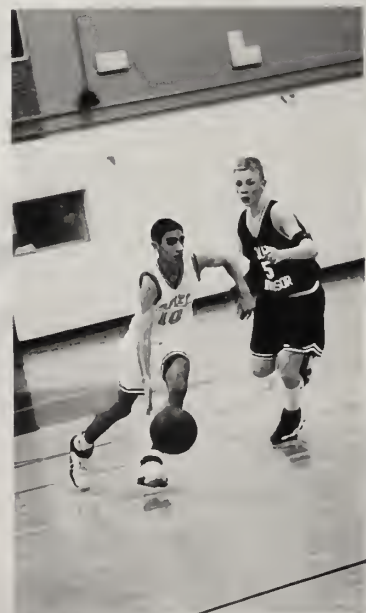

It was a rebuilding year for Enfield High girls' basketball. Lauren Alaimo and Jennifer Drexler were elected captains. The season started off slow, but the young team, consisting of four freshmen, showed that hardwork and dedication truly does payoff. They worked as a team and towards the middle of the season held a 4-9 record. The team was competitive in the CCC East and ended with a strong finish.

Boys' Basketball

Girls' Swimming

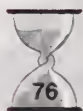

A team of only 14 girls with tons of talent pulled off a 7-4 and 1 season. Tough practices and great wins were led by captains Amy Pastormerlo and Lisa Pac. The Co-op team had many key moments and memorable races. Five of the fourteen girls from Somers and Enfield made it back from state qualifiers to the state finals. Their dedication and work was well worth the season's record.

Boys' Swimming

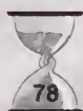

The Co-op boys' swim team was lead by captain Nick Povak and was coached by Ken Lessard. The boys had a great season with many memorable races. Some of the swimmers also went on to compete in States to finish off their great season.

Girls' Soccer

The girls' Junior Varsity soccer team had an excellent season. At the end their wins, losses, and ties were 11-3-2. Captains Melissa Carey and Jessica Mitchell did a great job leading the team throughout the fall. Good luck to all of you next year and keep up the good work!

Captains Amy Motto and Debbie Menard lead the girls varsity soccer team through a great season. They worked very hard to get to where they were, having been only one loss away from making the state competition. Everyone appreciates all the hard work these girls, with seniors Casey Cutkomp, Corey Cutkomp, Liz Fruscella, Angela Shepard, Danielle Monsonis, Amy Motto, and Debbie Menard, put into their season.

Boys' Soccer

The 1998 Enfield boys soccer team went through a rebuilding year. In the last season as a CCC East opponent they concluded with a 4-9-2 record. The team accomplished goals set forth in the pre-season. The team also broke long standing losing streaks against CCC East rivals Rockville and Manchester High Schools. They had six all-conference nominees, placing two on the all-conference team; Chris Scheer and Mike Vignone. The team loses three seniors Phil Schnaars, Chris Scheer, and Mike Vignone. But stepping up for the challenge as captains of next years highly talented team are Mark Holmes, Rob Vaghini, and Tony Vasile.

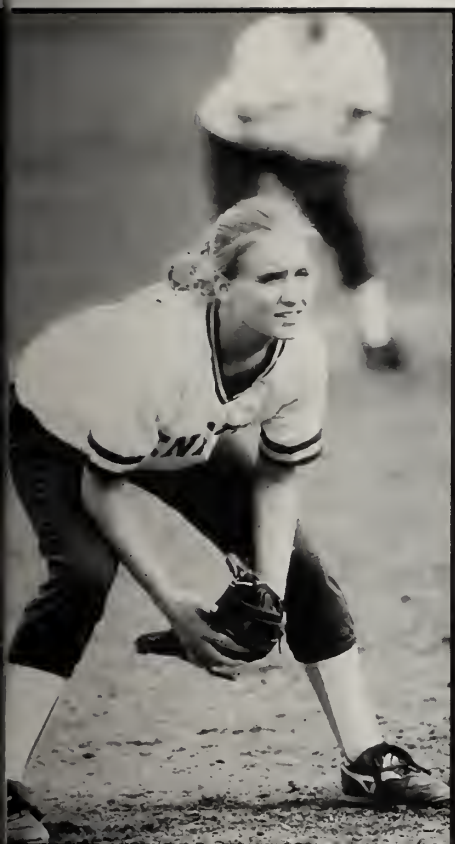

Softball

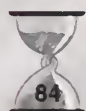

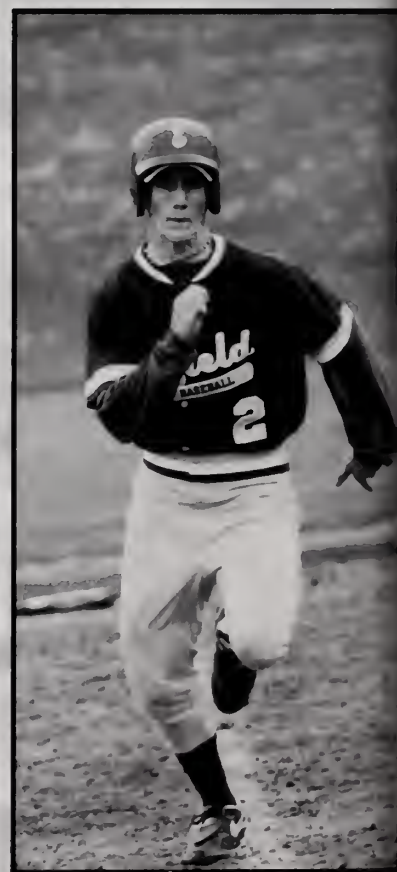

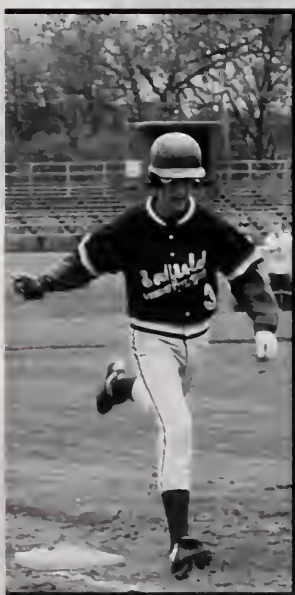

The Enfield High School Raiders had an excellent season this past spring. The team was led by captains Sue Ann Mankus and Allison Ferry. The team looks forward to the spring when they can rule the field again.

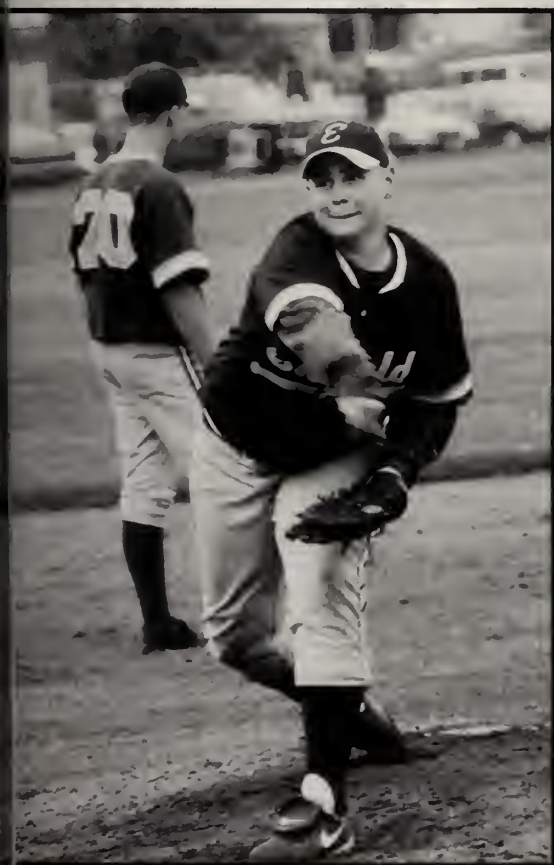

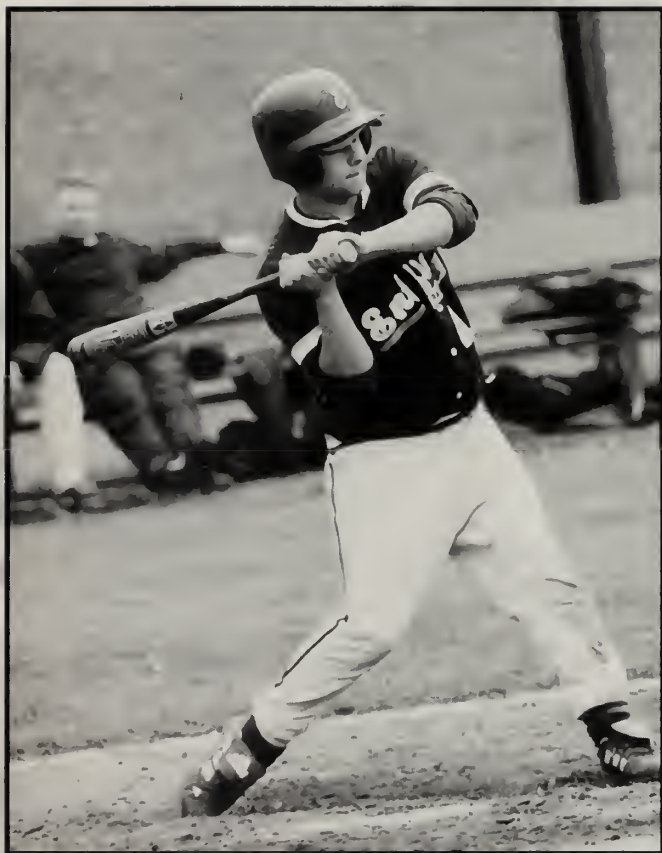

Baseball

The Enfield High School Raiders started the season 2-0 by winning the Enfield Tournament. They defeated Norwich Free Academy and Simsbury to take the title. They finished the year 5-13 with wins over Windham, Fermi, and East Hartford. Senior Jay Kennan had an outstanding year along with centerfielder Eric Bristol. The Raiders are looking forward to an other exciting season this year.

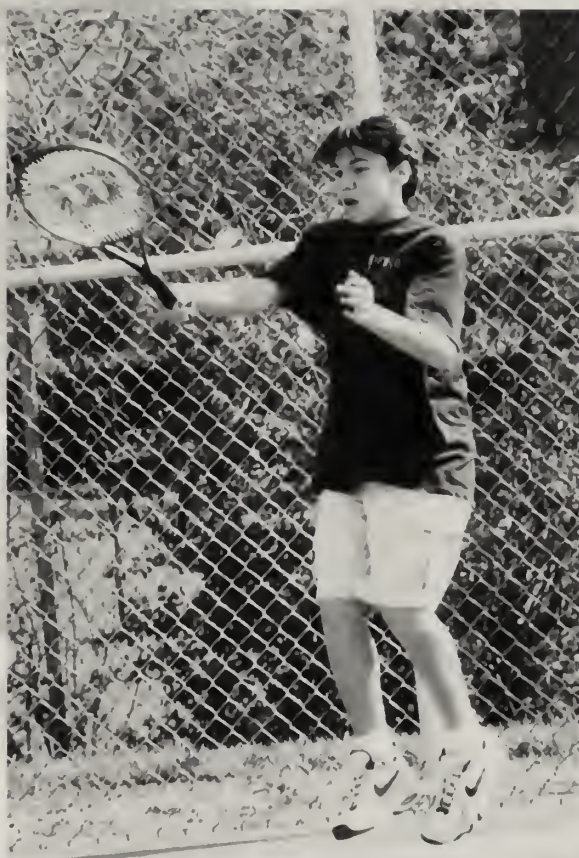

Tennis

The 1998 Tennis Team had an excellent season, led by captains Sean Ryan, Sean Overbeeke, and Neil Roberts. During the season they won 7 out of 17 matches. Sean Ryan was given the title "Most Valuable Player" and made it to the State Tournament. Shown here are pictures of the team pounding the ball.

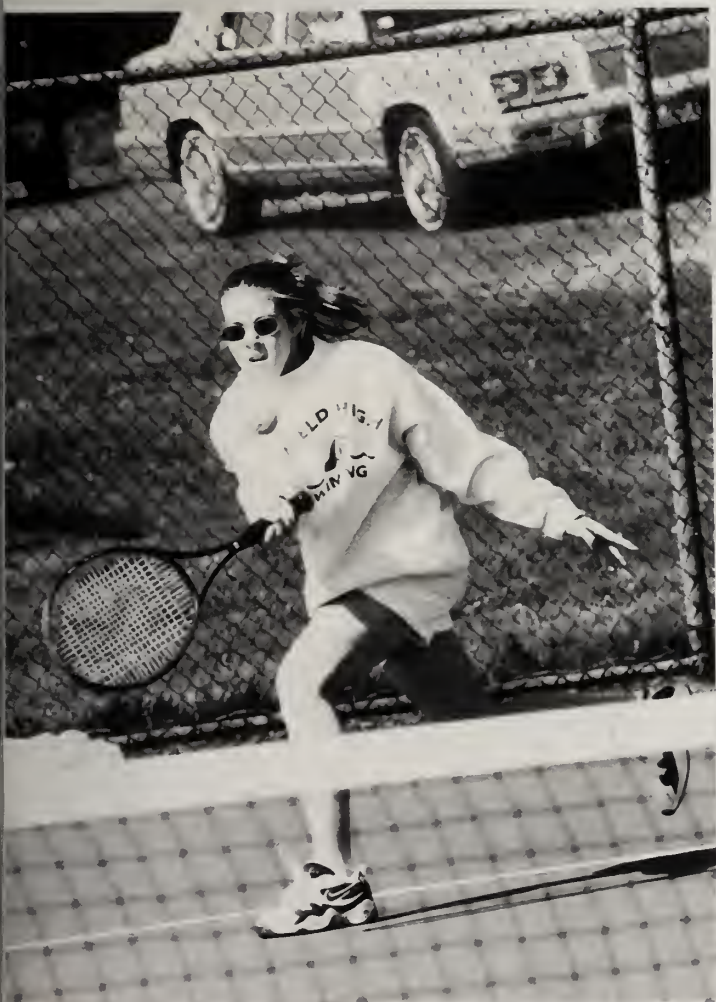

Girls' Tennis

Led by Junior Captains Hannah Song and Jennifer Spanilo with the coaching of Frank Lavigne, the 1998 girls' tennis team produced a final record of 3 - 11. The team was comprised of only 11 girls - one senior, eight juniors, and two freshmen. Despite the team's lack of numbers, the girls learned a great deal from the '98 season and hope to apply it in 1999. The strong base of returning seniors, along with increased interest in the sport, should make the '99 season one to remember as well!

Golf

The Enfield High Golf team enjoyed yet another respectable season in 1998. Steady play prevailed from the frigid early rounds in March to the sweltering later matches in June. The team was lead by Senior All-Conference member Vincent Musco along with Junior Keith Nadeau holding the second position strong. Junior David Alexander had the most surprising round shooting a 39 for the team at the last home match. Their highlight for the year came when they defeated Hall High School and tied Conard High away at Roddedge Golf Course in West Hartford. The climax of the year came with a state tournament where they finished in the top 10.

TIME TO RACE!

The boys track team had some great workers, and long, hard days of practice. The team was led by captains Sean Sullivan and Matthew Mangino. They had some very hard working new members including Adam Kapchus and Matt Tomolonis. A successful member, Derek O'Dell, combined his natural talent of running with his hard work in javelin. His flexibility in events and hard work showed off. The team ended its year with great performances to surpass its previous record.

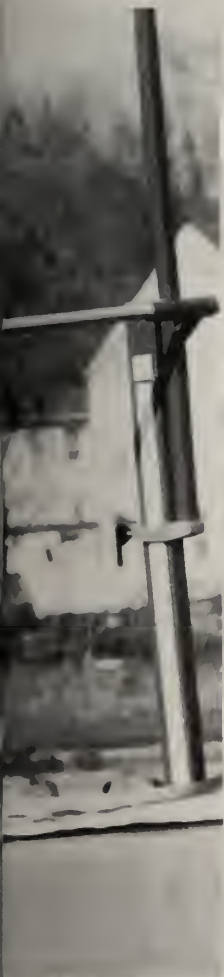

SPEEDY GIRLS!

The girls track team of the '98 season had some memorable moments. The small number of girls were not held back due to the enthusiastic support of tri-captains Amy Pastormerlo, Lori Tatro and Erica Wilson. Each hard day of practice paid off. Making huge steps of improvement was Sara Prentiss in the 800 meters; she worked her way to State Championships. Mary Bishop added her new school record in the 100 hurdles. With her talent of running Amy Pastormerlo found herself at state opens for the shot put after placing third at state championships. The team ended its year with many individual smiles.

Hockey

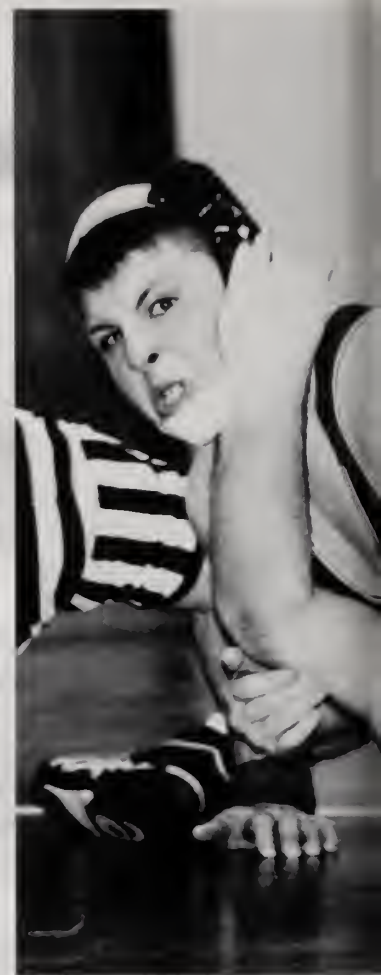

The ice hockey team had a very successful season this year. It was led by senior captains Brian Tomalonis, Keith Nadeau, and Ryan Lawless, as well as fellow seniors Dave Ragon, and Justin Swan. The team had an exceptional year with an 18 - 2 record, also clenching the CCC East title. The team advanced to the state tournament for the first time in three years. Best of luck and congratulations.

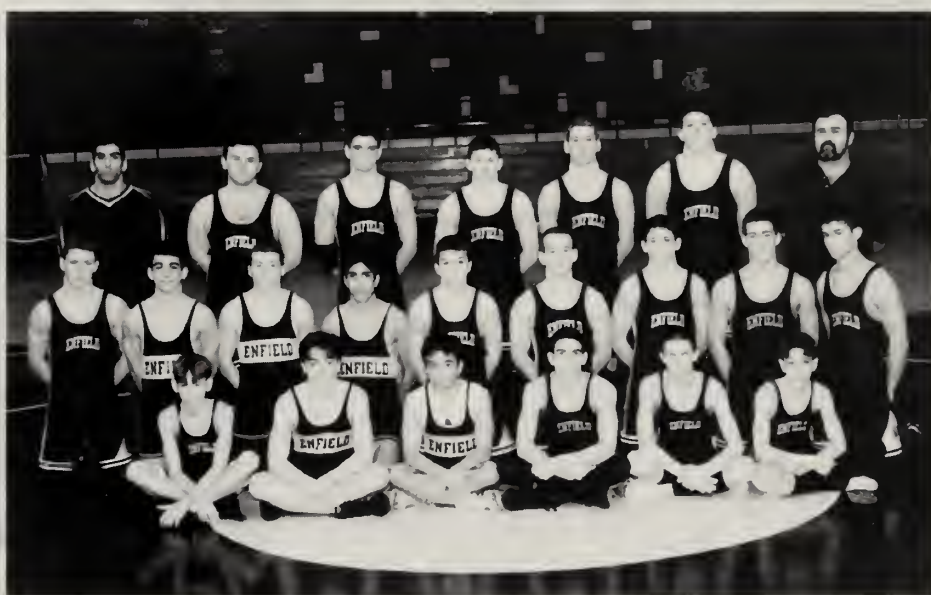

Wrestling

Every time a member of the Enfield High wrestling team stepped onto the mat he gave 110%. With a good overall season every loss seemed to be a learning experience. Each teammate played a significant part and as a whole they were all able to contribute to a winning season with the continual leadership of Co-Captains Eric Welch and John Wilson. The entire team would like to thank Coach Parker and Assistant Coach Saleh for their instruction, support and patience.

INDOOR TRACK

This year Enfield High School had it's first indoor track team. Lead by captains Laurie Pastormerlo, Sarah Pronto, and Thea Andrews. Between all the teammates there was an impressive amount of talent, and desire to succeed. Many of our members went on to compete in the state competition and some went on to the State Open. Our senior teammates this year succeeded in breaking many school records. Derek O'Dell broke the 500 meter record, Amy Pastormerlo broke the shotput record, and Laurie Pastormerlo now holds the 55 meter hurdle record.

CROSS COUNTRY

Sophomore Dan Smith represented Enfield High School in Cross Country and practiced and competed at Fermi High School as an individual runner. Dan finished the season making the CCC East All Conference Team.

ACTIVITIES and Clubs

Band

In the past four years, the E.H.S. band has grown from nine members to nearly one hundred. Ms. Lynne Kirouac, the band director, has worked long and hard to bring the band to the level it's at today.

Last year in Virginia Beach was the band's first competition in five years and they came away with first place awards in all catagories. Having done so well in Virginia pushes the band to do equally well at their competition in Philidelphia this year. Drum majors Rich Santanella, Kaitlyn O'Leary, and Jeff Lamondia also contributed to Ms. Kirouac's efforts to make the band the best it can be.

Voices Incorporated

The Voices Inc. choral program had a very successful 1998-1999 school year. The Voices Inc. group, now approaching 300 students, performed the annual winter concert to 3 sold-out audiences. The group is expanding; it has grown to include a women's chorus. "Higher Voices" also debuted at the winter concert. The jazz choir "Common Ground", the girls group, "Sensations", and the guys group, "Center Stage" also did an outstanding job at the concerts and at all their out-of-school performances. "Main Event" has had an extraordinary year. They have been busy with 2 high-profile performances. The group performed for a second time at Constitution Plaza in Hartford for the city's Festival of Light. They also sang and danced at Bushnell Memorial Hall for the CT State Teacher of the Year Award Ceremony. To all the Voices Inc. groups, congratulations and good luck in the future!

Yearbook

Through hard work and dedication the 1998-1999 yearbook staff finally completed this yearbook. Many long hours of learning publishing software, photography techniques, and organizational skills were spent after school weekly. Editor Sarah Cote and assistant Co-editors Kelly Droney, Todd Falkowski, and Sean Overbeeke were committed to making this yearbook unique. In addition Mrs. Simmons, Rich Santenella, Brian DiPippo, Nate Viniconis, Michael Falk, and Hilary Fletcher spent hours of their time working on fund raisers and selling advertisements to pay the costly bill. Also deserving honorable mention is Amy Pastormerlo, who devoted herself to assisting the staff; especially when deadlines neared. Last but not least, is Miss Lisa Darin, our yearbook advisor, who has provided much needed guidance and advice. Best of luck to the graduating class of 1999, Miss Darin, and to next years staff!

The Dance Team

With the arrival of Ms. Denis, EHS now has their first ever dance team. They performed at the Pep Rally and are the entertainment during half-time at the basketball games. In the future they will participate in competitions and hope to become one of many traditions at Enfield High School.

Student Council

This year the Student Council has undergone a few changes. They were using a new point system, which awards students who participate with prizes and scholarships. They raised over \$600 during Homecoming Week, and they also organized the pep rally. An annual event, the profits made from the pep rally fundraiser were donated to charity. They had several fundraisers throughout the year. They encourage all students to attend meetings and are always looking for help.

Color Guard

The EHS color guard is on a roll. They have a new instructor, Stevany. She went to UMASS and participated in their Color Guard and now she is here at Enfield High School teaching the students a variety of color guard routines. Last year the color guard competed in Virginia and won first place. This year has been successful with all the girls in color guard and they have all shown a great amount of progress.

DECA

EHS DECA had an exciting and busy year. They began with an extremely successful effort at the State Conference. There, our Chapter President, David Alexander, was elected state President, and our Vice-President, Jennifer Spanilo, was elected State Historian. Also, Lauren Alaimo, and Michelle Perault, won first place in their advertising competition. From there they went on to Denver, Colorado and Boston, Massachusetts for career development conferences. They also stayed busy on the chapter level. For their civic conscientiousness project they put on their third annual Decapalooza concert with all proceeds benefiting MDA. They also held a fashion show and worked cooperatively with FBLA to put on our Winter Semi-formal. Finally, this will be Rose Porcello's last year as DECA advisor. She has made EHS DECA the great chapter it is. Her love and compassion is unprecedented as she has touched the lives of all her students. Ms. P. you will always be in our hearts and in our minds. Thanks for all you have done!

National Honor Society

The Edward J. Boland chapter of the National Honor Society is an active group organization in the community. All 49 members divide their time by doing in-school and out-of-school volunteer work. One of the major parts of the NHS is the After School Program, which the Honor Society sponsors. Members volunteer their time monthly to the children at this organization. This allows the members of the Honor Society to be role models to younger children in the community. The members of the NHS are chosen by 4 characteristics: scholarship, leadership, service, and character. All members exemplify these qualities. They balance a high grade point average, and extracurricular activities such as sports and part-time jobs. The experiences in the National Honor Society prepare the student to be a better citizen in life.

F. B. L. A.

F.B.L.A. is a national student organization designed to improve students' knowledge of the business world by engaging in a variety of activities dealing with business and community. Under the advice of E.H.S.'s own Mr. Murphy, the club holds numerous events in school and out. F.B.L.A. holds an annual semi-formal dance and holiday carnation sale here at school. The club shows involvement in the community by writing Santa letters to school children each year at Christmas time. Playing Bingo at Parkway Pavilion is our newest undertaking and has become a great success. Each member of F.B.L.A. has the opportunity to attend the State Competition and Conference in order to test their business knowledge. This year the club has been highly motivated and a lot of fun.

Model U. N.

This year, the Model U.N. delegation learned more about international diplomacy and foreign cultures; they represented Russia and Saudi Arabia. In November, the delegation traveled to New York City to meet with the diplomats from these countries. In February, the model took place at the University of Hartford. Students from across the state met; each school representing different nations in the United Nations. Senior, David Alexander, acted as the plenary president.

As Schools Match Wits

This year the "As Schools Match Wits" team made it to the playoffs after successfully defeating three teams from Holyoke Catholic, Granby Jr./Sr. High School, and Amherst Regional High School. Team members Mike Smith, Kevin Reilly, Dan Thayer, Sarah Wonneberger, and Amy Lindsay practiced each Wednesday with their coaches Dr. Taylor and Mr. Smith. The team managed to come from behind to win the first two matches before defeating Amherst Regional in their third match to clinch a playoff spot and make their season a success.

The Lamplighters

The 1998-1999 school year continued the success of "Harvey" and the student-directed one act plays. In December 1998, the Lamplighters began what looks to be an annual production, an audience-participation mystery. During "The Great High School Whodunit" audience members were asked to solve a murder and the theft of a diamond ring. The Lamplighters delighted audiences yet again with a spring 1999 production of the classic *Our Town*. "Break a leg" to seniors Amibeth Sheriden (Co-President), Kristen Savage (Co-President) and Melinda Shelton (Publicity Co-Chair).

The International Culture Club explores the language, culture, and cuisine of many different countries. The club sponsors dinners, guest speakers, festivals, and crafts in order to foster an appreciation for the diversity of America and to promote international understanding.

Ciao Italia

Enfield and Fermi High School students ventured to Italy in March of 1998. During this 8-day trip the group toured Venice, Sorrento, Florence, and Rome while visting famous sights like the Colosseum, St. Mark's Cathedral, the David and the Vatican. The students experienced the culture of Italy. After sampling a little of everything, the food in Italy is the best; most notably the pasta, cappucino, and the gelati. From the moment they landed, these students broadened their horizons and gained a wealth of cultural understanding; all while having fun and making great memories. The students learned many qualities while traveling, like responsibility, sophistication, and confidence.

Spain

Over February vacation students from Enfield and Fermi High Schools traveled to Spain to experience a new way of life, a new culture. During the nine day adventure to the dazzling country, the students visited historical and artistic sites such as El Escorial, the Valley of the Fallen, La Catedral de Sevilla, the Giralda Tower, the Alhambra, and the Prado. Everyone practiced communicating with their foreign language skills with the citizens of Spain while touring, eating, shopping and traveling. The group explored ancient and modern cities such as Toledo and Madrid, while having an outstanding time. Some brave students even swam in the Mediterranean Sea. This trip offered students a chance to challenge themselves at international travel, language barriers, and maturity. The nine day experience boosted confidence levels and adventurous spirits among all. Viva Espana! Esperamos a Espana!
